## ECPAAA Mission Statement

"To provide the citizens of Euless a better understanding of the dedication and integrity of the police department"

Gary has been working off site in a Class. There are still openings in Class 20 starting September 2. If you need a ride to the Galveston Convention or plan to ride with the group contact Gary.

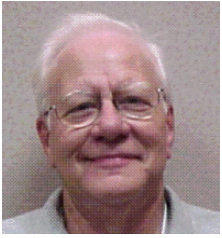

Adis Umpierre and Cindy Carter were a Godsend during my CPR class. The class was held here at the Eulesse Police Department on Saturday, July 24 at 0830 hours. Adis and Cindy were here at 0745 and had the mannequins set up and ready to go. I was honored again to have a class full of CPA members:

David Bolger, Ashley Tull (a coworker of Adis'), Joni Stricklin (Cindy Carter's daughter), Teresia Foreman, and Leah Bennett. Three Eulesse city employees went through the course as well: Peiu Piutau, Devin Benedict, and Roslyn Moore. This is a total of 20 that have been CPR certified. Thank you for your support of the Eulesse Police Department. And a special thank you to Cindy and Adis for all the assistance setting up and decontaminating the mannequins at the end. Lou you have a first rate organization and I personally wanted to say, "Job well done ladies."

Cpl. J. J. Gordon

### Lou's Views

Happy August to all and what a nice break in our traditional "Dog Days of August". Look out September, what will that bring to us all? WOW, did you all notice the total number of Volunteer hours you all gave in July? A tremendous 354 hours. Congratulations to all who were a part of July. I cannot remember any month being that large, outside of Arbor Days, in many years. Thanks to J.R. for our successful Bass Pro Event on Saturday, July 31st and Sunday, August 1st. To all of you who made this event a continued success, THANKS A BUNCH. Because of the great turn out and the way we approach this event for Bass Pro, they have given J.R. and our organization some "extra days" in November. Among the thousands of customers who visited Bass Pro was our own Assist. Chief, Bob Freeman spending his hard earned money and noticing all of the Alumni Members working the front area of the store. I also noticed he took time to thank each and every one of the Members that were working the front; thanks Bob that meant a lot to us for you to take the time to appreciate our hard work.

The past week J.R., Al and myself went shopping for items to raffle off at the State Convention in Galveston this month. The two major items are a great looking \$200.00 gas powered, high powered all purpose water sprayer,

from Wal-Mart, to clean your driveways, sidewalks and many other uses, and a \$100.00 Dirt Devil Shampooer from Target. Also, Jackie Benner is donating a gift worth over \$150.00. The committee has two or three other items that will be available for raffle. We are hoping that these items will bring the Association a nice little bundle to bring home from the convention. Thanks to Al's committee who is putting this special package together.

With only four meetings left this year, your Executive Committee is busy selecting a nominating committee which will select members who wish to lead this Organization into the future. I will announce at the August meeting members of that committee. If you have the desire and the time to devote and lead this Organization, please make it known to the announced committee.

Saturday, August 21st at Bob Eden Park, will be a Bicycle Safety Rodeo sponsored by the Euless Police Department. They have requested the Alumni Association help make this a successful event. We still need two or three more members to sign up and help. The time is 10:00 AM to 2:00 PM. If you have a few hours to help, get with J. R. Goad between now and our meeting. This should be fun for the kids. Besides the bike rodeo, there will be Careflite Helicopter tours, Fire Department Safety House Exhibit and yes, free hot dogs and sodas.

For those COP's that support the program, we received the keys to our 2004 Dodge this past month at Allen Samuels, but on further investigation the vin numbers were incorrect that was submitted to the State, so we had to take it off the street for a few days until

all the paper work has been corrected and the State office satisfied. The new Dodge is larger inside with a larger motor. This new Dodge will serve the COP's for the next two years in fine fashion.

For you members who have the first Alumni Directory, Ann Zimmerman has spent many long hours updating and adding more information for your directories. For those who have never received one, come to a meeting and pick up a current directory. They are really handy and a lot of information about our Organization is included. To save money we will not mail them out. A sad note to pass along, Faye Stinneford and Nadine Barnes lost their mother this past week. Our heartfelt thoughts and prayers go out to the family during this time of great sorrow. Let's put our arms around this family during this sad time.

As always, I look forward to seeing each of you on Tuesday, August 17 for our regular meeting. Thanks again for all of you who served this Organization in July, making it one of the largest volunteer months on record.

Sincerely,

Lou

### LOU'S THOUGHT FOR THE MONTH

Success isn't accumulating possessions, wealth, or power. Success is obeying God. It means having those closest to you love and respect you the most.

-----  
-----  
Leading people is a responsibility, not a perk.  
To whomever much is given,  
much is required.

### Blessed are those Who...

Do what is right.  
Speak the truth with compassion.  
Treat their neighbors with love and respect.  
Avoid those who do wrong and cling to those who do right.  
Keep their commitments even when it hurts.  
Conduct every transation with fairness and honor.

### Membership - Update - Meet Our Members

Membership - what does this mean to you? You're a member of a club, community or fellowship or the total number of members in a group. The ECPAAA represents a select group of people who give of their time and volunteer to assist the Eules Police Department, either at the station or on the streets of our great city. ECPAAA members also volunteer at other activities benefitting either the Police or the City.

Each month a member or members will be profiled in the newsletter. .

Profiles to be continued in next issue due to computer problems...

### Your monthly "just for laughs" by Lou Baum

A married couple went to the hospital to have their baby delivered. Upon their arrival, the doctor said he had invented a new machine that would transfer a portion of the mother's pain to the father. He asked if they were willing to try it out.

They were both very much in favor of it. The doctor set the pain transfer to 10% for starters, explaining that even 10% was probably more pain than the father had ever experienced in his life time.

But as the labor progressed, the husband felt fine and asked the doctor to go ahead and kick it up a notch. The doctor then adjusted the machine to 20% pain transfer. The husband was still feeling fine. The doctor checked the husband's blood pressure and was amazed at how well he was doing. At this point they decided to try and go for 50%.

The husband continued to feel wonderful. Since the pain transfer was obviously helping out his wife considerably, the husband encouraged the doctor to transfer ALL the pain to him. The wife delivered a healthy baby with virtually no pain. She and her husband were ecstatic.

When they got home, the mailman was dead on the porch.....

### FINANCIAL PRIVACY

**Borrow Ollie North's shredder** Destroying documents before they're thrown away can prevent vital information such as your Social Security and bank account numbers from falling into the hands of crooks who sift through your trash..but only if you use the right type of shredder. "The most common shredder old –a straight –cut shredder-only cuts the documents like ribbons; all that's needed is to push these ribbons together to get your numbers," says Frank W. Abagnale, Jr., the check forger and identity thief depicted by Leonardo DiCaprio in the movie Catch Me If You Can, who adds that crooks will happily take the time to do this kind of puzzle work. "Spend the few extra dollars and get a 'confetti,' or cross-cut shredder. It makes documents impossible to read." Avg. price: \$120

**Buy a \$2 pen** All it takes to clean out your bank account is a signed check swiped from your outgoing mail and the chemical acetone commonly found in nail polish remover, says Abagnale.

It works like this: The crook steals outgoing paid bills from your mailbox and places a piece of cellophane tape over the front and back of your signature on the check. Then he or she places the check into a pan of nail polish remover for about 30 minutes-which lifts anything that's not printer's ink, except for your tape-protected signature. The check is then blow-dried and flattened in a book, and the tape is carefully removed. Voila! A blank check, signed by you.

Only one type of ink-the kind in gel pens-is counterfeitproof to acetone or any other chemical used in "checkwashing" "I recommend the uni-ball Gel Impact pen which sells for about \$2 each at any office supply or chain store," says Abagnale, who now consults law enforcement and corporations on the art of the steal. "I personally sign all my checks and important documents with one."

### INTERNET SECURITY

**Don't "phish" with strangers** You've heard of spam, or unsolicited e-mail; phishing is spam specifically designed to steal vital information such as your password and credit card numbers. "You'll get e-mail saying your bank or another account needs to be updated or verified," says John Hambrick, an FBI supervisor special agent who works with the Internet Crime Complaint Center (IC3). When you click on the link provided, you will be taken to an authentic-looking website. The best ones have the same corporate logo and even the URL address of the corporation being impersonated. How can you tell that it's not legitimate? Because no bank would ever ask you those questions online. "Your bank does not need to verify your ATM pin or Social Security number," says Hambrick. "Neither do AOL and other companies."

**J. R. Goad**

### CPAANT UPDATE

The August CPAANT meeting was held in Dallas, Texas. The speaker was Lt. Guevara. He talked about the X26 Taser that his department is now deploying. The taser shoots up to 21 feet. Comes in several colors, black, yellow, and clear. His department will be purchasing yellow. They will use the taser to de-escalate situations and void having to use deadly force to stop a suspect. The Lt. kept asking for volunteers but nobody seemed interested to be part of a live demonstration. We just took his word for it that it works.

After the speaker, we held the general meeting. There were 36 attendees including 4 people from Irving which has not been represented in a long time. DeSoto brought some large magnets in the shape of a yellow ribbon that said various things like "Support our troops" and "Pray for our troops". They sold them for \$5 each as a fund raiser for their group. They were skeptical at first but after they got them, they said they pretty much just sold themselves.

#### Convention Update

CPAANT will have 2 tables together at the convention to sell and raffle items. If Eules needs to use any of the table space, we need to let them know right away. Linda Smith made some very beautiful mini-treasure chests and one large treasure chest to be used in a CPAANT raffle to raise money. CPAANT is asking each member city to donate 2 prizes for the mini-treasure chests. The prizes do not need to fit in the mini-treasure chest. The mini-treasure chest is big enough to hold a coin with a number and the winner will trade in the coin to claim the prize. CPAANT will be placing \$200 in the large treasure chest for the raffle. Raffle tickets will be \$1 each. Richardson said they will be submitting their city to host the 2006 state convention and asked for support (i.e. votes) from all the CPAANT member cities attending this year's convention. Waco was voted last year to host the 2005 state convention.

John Engles, CPAANT president, will be updating the CPAANT member directory and making it available to all member cities. A list was passed around to sign up for hosting CPAANT meetings next year. Waco proposed a meeting between regions next year and Waco is willing to host the meeting.

The next CPAANT meeting will be held in Richardson. Police liaisons should attend because they will be providing some valuable community volunteer information that could be very useful to police departments.

See you at the next meeting!

Wes Weeks

### ECPAAA Minutes

#### Tuesday, July 14, 2004 Meeting

Guest Speaker: Kathy Morris of Tarrant County Challenge, Inc.

Meeting Called to order 7:05PM by Al Simmenroth

Invocation: J. R. Goad

Pledge of Allegiance: Adis Umpierre

Visitors: Kevin Carter husband of our own Cindy Carter, Debbie Day, Class 19 Dagne Loff, New members Mark Merrick and Laura Merrick

PRESENT: **President** – Lou Baum **Second Vice President**-Adis Umpierre **Treasurer**-Rose-Marie Stevens, **Secretary**-Karen Duncan

**Parliamentarian** – Al Simmenroth

Jim Adair, Jackie Benner, Leah Benoit, Bob Bouse, Cindy Carter, Sharon Finnegan, J. R. Goad, Erelene Hill, Warren Hinkley, Bill Hoffman, Joyce Humphrey, Mark Merrick, Laura Merrick, David Mishkin, Judie Nolden, Betty Overstreet, Chris Shanahan, Barney Snitz, Faye Stinneford, Tim Stinneford, Paulette Tinker, Helen Wagner, Ann Zimmerman.

Lou welcomed all present.

Sgt. Gary Landers reminded everyone that deadline to register for Alumni Convention in Galveston is August 1st. Gary needs a count of those planning to ride in the van. August 3rd is National Night Out 6:30PM-9:30PM. Let Gary know if you are planning to have a party to ensure the attendance of the Police and Fire. September 2 is the date for Class 20. Still have openings. Talk to your Eules friends and neighbors. Help is needed for the Bicycle Rodeo to be held on August 21st at Bob Eden Park. Volunteers needed 10A-2P. September 22 is the annual Golf Tournament held at Texas Star. Summer camp went great. Didn't spend as much money as Budgeted. Gary wanted to mention to all the COP car drivers that the bumper on the COP car is not set up to push cars. The bumper is mounted on a plastic bumper. Officer Gordon needed a woman volunteer to be a hostage for a training exercise to be held at Texas Star. Joyce Humphrey volunteered. Good luck Joyce. Officer Gordon also mentioned that the PD will be giving out Bicycle helmets at the Bicycle Rodeo to those who are unable to afford them. He also has a supply of infant seats that are kept on hand for those who need them. These type of things are items we as an organization might consider funding in the future.

Adis introduced our speaker Kathy Morris. Kathy is the Director of Prevention programming. The organization is non profit since 1984 Coalition in Tarrant County and 200 strong. They work with youth and businesses. Kathy presented a very effective slide presentation on drugs available. Did you know that the brain develops to the mid twenties? Thru substance abuse prevention, intervention, treatment and awareness, this organization is making a big impact on making known the consequences of using drugs. Website is [www.tcchallenge.org](http://www.tcchallenge.org).

Short break after speaker—meeting resumed 8:40PM.

Lou showed picture of new COP car. New car will have new unit #. Light bar is in different place. We have new rotary lights which would be a great help when we may need to assist in certain situations. Thanks to all who were able to support the event at the dealership. We fed from forty to fifty and helped show our appreciation.

Approval of Minutes—Correction re approval of minutes—should be Joyce Humphrey. After correction motion to approval made by Tim Stinneford. Second Ann Zimmerman. Passed.

Motion to approve Treasurer's Report made by J. R. Goad. Second by Tim Stinneford. Passed.

Rose-Marie Stevens reported checking balance \$1000.00. Cost of PAL's approximately \$450.00.

#### Standing Committee Reports

Fund Raising - J. R. Goad reports he has secured Christmas wrapping for Nov 26-27 and Dec 11-12 and Dec 17-23. Has signup sheets for Sat Jul 31 for 6P-1030P and Sun Aug 1 for 2P-7P. Signup sheets for Bike Rodeo Sat Aug 21 10A-2P - 6 people. CRUD Sat Oct 16 8A-1P. There will be 2 trucks and we will accept computers and associated discards. Need 6 men and 6 ladies. Sample Sale we talked about will be postponed till next sale at market.

Membership - Ann Zimmerman presented two lists. One list is of all members by classes and the second is alphabetical. Ann had taken a day off from her real job to get these lists ready for the meeting. We appreciate all the time and work. Thanks Ann and Mildred. Ann warned everyone to look for trivia in next newsletter.

Al Simmenroth priced updating our computer at Blue Candle. This will make it much faster and more efficient in the work we need. This will be filed as unfinished business when our Budget will allow.

Lou reported that our volunteer hours are 20% ahead of last year. City heads are aware of our volunteer. The newsletter keeps them updated.

State Convention has twelve signed up. Links to the website are in ECPAAA.org.

It has been brought to our attention that our website is very popular. Many cities are trying to startup a similar popular and asking for information on how we were able to make it happen. Chris has done an excellent job with our website.

Lou read a letter from Ray McDonald asking for help to adopt a Park Program. Barney Snitz reported on a meeting he had attended regarding a new theme - Eules City of Trails. - Adopt a Park - With the limited number of City employees and the time involved - the City is trying to get citizens to volunteer to help keep the Parks clean. The City has a master plan wanting trails to go from park to park. Lou wanted us to know of the program. Currently our bylaws do not permit us to participate as a group.

COP - Cindy Carter advised everyone in COP's needs a yellow shirt. Let Cindy know if you do not have one. We need to wear these yellow shirts when out in the COP car. Directories have all COP #'s and bylaws. For the last class Dispatch training has been waived. Go out twice with a COP who has had this training.

Adis advised those in the CPR class on July 24th could bring food.

FYI - You can still ride out with an officer if you schedule ahead.

Kathy Haecker recently broke her leg. Doesn't sound like much fun.

In closing Lou had a reading - Past is history and Future is a mystery. This moment in time is a gift, and that is why we call it "The Present".

Motion to adjourn made by Tim Stinneford. Second by J. R. Goad. Meeting adjourned 945PM.
