November Speaker

Cpl. James Gordon
Euleless Police Department

It's that time of the year when people are starting their holiday shopping. Come learn about personal safety and how to not be a victim when you are out spending your money. James will also talk about some of the burglaries that have taken place in Euless recently.

Reminders for Alumni Members

Please bring your aluminum cans and printer cartridges for recycling. John Woodall will make a final run in December to the recycling businesses.

If you would like to purchase a monogrammed brick, please see page 11 for the order form. An order will be placed by the end of the second quarter of next year. If you have any questions, please ask Leah Benoit at the November meeting.

Please look over the Proposed 2010 Budget for the ECPAAA on page 12. Come to the meeting with any questions and/or concerns you may have. We will vote on the 2010 Budget at the December meeting.

Sgt. Eric Starnes

Unfortunately we were greeted by some bad weather this year for National Night Out. However, even with the inclement weather, the parties that were held had good turnout. In my opinion, National Night Out was another success. I want to thank all the members that either came along or hosted parties.

Hot Dogs, Popcorn, and Snow-cones anyone? The Police Department open house had yet another smooth success with many visitors gracing our doorways. This is something we could not pull off without the assistance of your organization. As Chief Brown always says, "you can't get time back." Thank you for all of the assistance with the open house.

Speaking of volunteering, we are seeking anyone who would like to help out Pam Trawick, the Patrol Secretary. The alarm ordinance and permit system has changed. The City is working on a computer program to assist her with renewal notifications, but until that is complete she is mailing out renewals by hand and she would greatly appreciate any assistance she could get until the computer program is up and running.

I know that several alumni members still want to go through the combined version of the citizen police and fire academies. We are still working on dates and will try to maintain two academies a year to accommodate all those wishing to attend.

How Much Do You REALLY Know About Thanksgiving?

1. **Fact or Fiction:** Thanksgiving is held on the final Thursday of November each year.

Fiction. In 1863, President Abraham Lincoln designated the last Thursday in November as a national day of thanksgiving. However, in 1939, after a request from the National Retail Dry Goods Association, President Franklin Roosevelt decreed that the holiday should always be celebrated on the fourth Thursday of the month (and never the occasional fifth, as occurred in 1939) in order to extend the holiday shopping season by a week. The decision sparked great controversy, and was still unresolved two years later, when the House of Representatives passed a resolution making the last Thursday in November a legal national holiday. The Senate amended the resolution, setting the date as the fourth Thursday, and the House eventually agreed.

2. **Fact or Fiction:** One of America's Founding Fathers thought the turkey should be the national bird of the United States.

Fact. In a letter to his daughter sent in 1784, Benjamin Franklin suggested that the wild turkey would be a more appropriate national symbol for the newly independent United States than the bald eagle (which had earlier been chosen by the Continental Congress). He argued that the turkey was "a much more respectable Bird," "a true original Native of America," and "though a little vain & silly, a Bird of Courage."

3. **Fact or Fiction:** In 1863, Abraham Lincoln became the first American president to proclaim a national day of thanksgiving.

Fiction. George Washington, John Adams and James Madison all issued proclamations urging Americans to observe days of thanksgiving, both for general good fortune and for particularly momentous events (the adoption of the U.S. Constitution, in Washington's case; the end of the War of 1812, in Madison's).

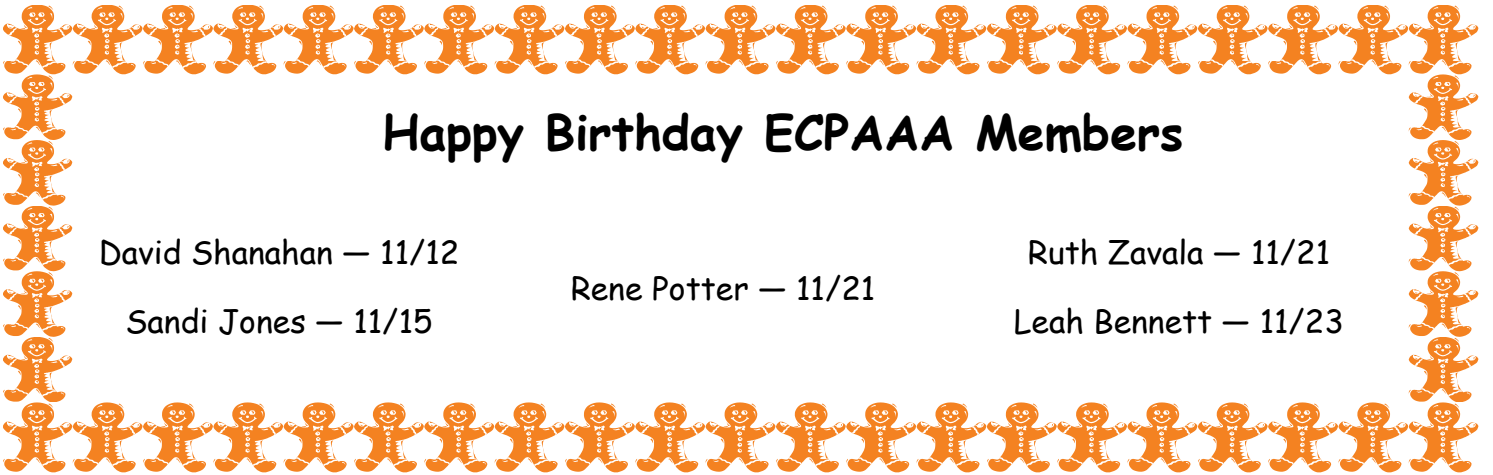

FROM THE CHIEF

As we are getting closer to the holiday season it’s a great time to reflect on all the blessings we have. I know that the Euless Police Department is blessed with the greatest support system and network of volunteers in the world. I would like to thank each of you for the time you give us. I hope you are getting as much out of your time as we are. We now have volunteers working in the jail, records, patrol and CID. We could not provide the level of service to this community that we do if it were not for the volunteers we have. You are truly making a difference in this community! I will not get into naming names, because if I do I will leave someone out, but each minute you spend in serving this community comes back multiplied many times over.

This is a tough time for our community, with sales tax revenues down and the city suffering through this down turn in the economy we are all called on to do more with less. It is our tremendous volunteers that make it possible for us to serve this community with no interruption of service. I know you each see the report of volunteer hours that this organization gives each month. Some look at that report and see hours, I look at the same report and see faces that make up that report. The faces of volunteers who put off doing their yard work, cleaning out the garage or missing a chance to play a round of golf (Tim Stinneford’s face doesn’t come to mind on that one) or missing an opportunity to do something for themselves in order to serve this department. I could not be more proud of this organization; the selflessness that runs through the ECPAAA is a model for every other volunteer organization in the world.

Again, a huge THANKS for all you do. I don’t know how other police departments are able to function without volunteers; it amazes me that some departments do not see the untapped potential hiding right there in plain sight. Thanks for being a part of the Euless Police Department family! Thanks for coming to this organization with a servant’s heart! And most especially thanks for serving the servants! How special are those who are willing to do that!!!

Your Servant,
Mike

From the President — Rose-Marie Stevens

Can you believe it? It's already November.

This month, the nominating committee is seeking members who will be willing to serve on the Executive Board. The offices are President, First Vice President, Second Vice President, Secretary and Treasurer. You may want to consider serving on the Board. Yes it takes a little time, but not a lot of time. Please give it some thought.

The CFPA Class graduated on November 5th. If any of the graduates visit our next meeting, please make them feel welcomed. We need our members. In a way, their enthusiasm helps to renew us. Also, we have a Chief who is looking to us more and more for assistance, and we need more people for that. So please encourage our visiting graduates to join us.

December's meeting will be a bit different. The primary business we will have to conduct will be to vote for the new Executive Board and to vote on the 2010 budget. We will review the proposed budget items during the November meeting. There will be no guest speaker, so we decided to just feed you. We're ordering pizza, and you can bring dessert if you wish. Let's make it a fun night.

In the meantime, I thank you for all that you do.

ALUMNI CORNER

Spotlight on Pete and Sandi Jones

Interviewed by Jerrie Keller and Faye Stinneford

Pete is a graduate of CPA Class 24 and was born in Malden, Massachusetts on September 17th. Pete is married to Sandi Jones who is also an Alumni Member. They have been married for 20 years and have four children. Pete has one sister. He and Sandy have lived in Euless for two and a half years.

Some of his favorite things are shooting competitively, fishing, travel, HAM radio and music. Many may not know that Pete is a Professional Musician. His favorite book is anything by W.E.B. Griffen. Hmmm, wonder what he/she/they write? His favorite place to travel is Alaska and enjoys the fishing up there.

When we asked Pete what made him join the Alumni Association he advised he wanted to give back to Euless. His favorite thing about the class was the hands on activities. His favorite thing about the Alumni Association is the fellowship. We asked him what he would like the ECPAAA members to know about him and he replied, "He is committed to excellence and that he is a professional trainer and manager".

Pete is also on the CERT Core Council and currently is the Vice President of Alumni Association. Pete's bio provides lots of follow up question opportunities, so next time you see Pete, ask him what musical instrument(s) does he play, and exactly who is W.E.B Griffen and what does he/she/they write?

Sandi is a graduate of CPA Class 24 and was born in Jefferson City, Missouri on November 15th and is an only child.

Some of her favorite things are Dachshund Rescue, porcelain dolls, fishing, foreign travel and reading. Her favorite book is "The Body" by Saphir. Her favorite place to travel is Venice, Italy. Her favorite activity is reading while fishing.

When we asked Sandi what made her join the Alumni Association, she advised she had belonged to the one in Grapevine so she felt comfortable joining the one in Euless, and like her husband she wanted to give back to Euless. Her favorite thing about the class was meeting all the various policemen. Her favorite thing about the Alumni Association is the fellowship. We asked her what she would like the ECPAAA members to know about her and she replied, "She is always willing to help out in any way she can". She also is a Corporate Manager and Trainer.

CPAANT Chiefs Round Table was held in Carrollton on November 7th; it was a great success! Chief James from Carrollton was our moderator. We had 13 Chiefs or their representative answering our questions and hearing what they are doing in their city. Our own Chief, Mike Brown and Karen Duncan attended. CPAANT had 19 Citizens Police Academy Alumni Associations represented. There were 92, counting the Chiefs, in attendance at the meeting.

CPAANT held elections on Saturday; and yes, I am CPAANT President for 2010. Please go to our website to get additional information: www.cpaant.org.
