## ECPAAA Mission Statement

"To provide the citizens of Euless a better understanding of the dedication and integrity of the police department"

The CERT class is going well and attendees seem to be enjoying themselves. Class 21 is well underway and thanks to those who have been assisting with the class.

Thanks to the Alumni, who on short notice, gave up most of their weekend to assist in preparing Campus West for Hurricane Katrina evacuees. Without each of you volunteering your time we would not have been able to get the shelter ready so quick. Although, we didn't receive anyone over the weekend, we did have a few evacuees on Tuesday. This is still just a wait and see operation, so thanks to all of you for being patient and ready to go at a moment's notice. There still is a great need for supplies at shelters across the metroplex. The Eules Shelter is not taking anymore donations until we actually get some evacuees at the center. If you have things to donate contact the Fort Worth branch of the Red Cross or Mission Arlington to make arrangements to drop off these items.

Thanks again for everything you do for the police department and the city.  
Sincerely, Gary

## Happy 911 Day

The ECPAAA would like to thank the Eules Police Department Dispatchers for all of the hard work!!  
You help keep our community safe and are an asset to our police officers.  
Keep up the good work!!

### From the President

Greetings, I would like to say welcome to the members of the 21st Citizens Police Academy class. Please stop by any week during the 12-week course and say hello to these folks.

The 2006 Nominating Committee has been selected, so if you interested in running for an office, please contact, Lou Baum (Chair), Faye Stinneford, Erelene Hill, Betty Overstreet, or Ruth Zavala. The slate of 2006 officers will be presented at the October meeting and ballots will be mailed out with the November newsletter.

Erelene Hill and Betty Overstreet will be working on something special for the dispatchers for 9-1-1 day. They will give a report at the September meeting.

The Budget Committee will be meeting and should have a tentative budget by the September meeting for everyone to review and discussion. Once the budget is finalized it will be printed in the October newsletter and we will vote on the 2006 budget on October 18th.

Thanks to all the Alumni who gave up part of their weekend to attend the Shelter training. This training was in anticipation of the West Campus becoming a shelter for the people from Louisiana who are being sent to the Metroplex. As of Sunday afternoon a decision had not been made that people would be staying at Campus West. The Alumni brought and fixed goodie bags with snacks at the request of the police chief.

Don't forget this Saturday, September 10th, we are hosting the Regional CPAAA meeting at the Police Department. Please plan on attending and helping with anything which may need to be done.

If someone has an idea on a fund raising activity which the Alumni might be able to participate in, please let me know. Since Arbor Days won't be held in 2006, we need to find an alternate source of income.

That's all for this month, see you at the meeting.

Ann

but to One Person  
You just might be the World."

## The 2006 Budget Committee

These are the members of the 2006 Budget Committee

Susan Vest, Sharon Finnegan, Mark Merrick, Leah Benoit, Wes Weeks and J.R. Goad.

Both Teresia Foreman and Ann Zimmerman are members of the group to answer questions and provide copies of any document requested by the Committee.

If you have any questions, please contact one of Budget Committee, hopefully a draft budget will be available for the September Meeting for discussion and by October the 2006 Budget should be finalized and ready for approval by the Alumni membership.
